Mind Sensor

Mind Spark naturally happens.

Mind Sensor is not me.

Mind Spark of the "Tree" is a Thought.

Cause and Effect Dhamma

Cause	Effect
Colour + Sound	Apple
Apple	Soul (Mind power)

Feel of the “Apple” creates the feel of “my self”.

Feel of “things” creates the feel of an unreal “Soul”, just like the two sides of the same coin.

“Apple” is a Thought. Soul is a “Thought”.
Soul is not real.

**“Apple” is the Mind.
“Apple” is a Feel
I am the “Apple”**

**Orange” is the “Mind
“Orange” is a Feel.
I am the "Orange"**

There is no permanent Mind.
The feel changes with the Things.
Mind creations are not real.
There is no Soul.

Everyone experiences a sensor created world only. It is not an outside world.

It is a sensor created world.

Everything you see, hear, feel is a thought.

Thoughts are Mind creations.
Thoughts create different Feels.
“Book” is a Feel.
Feel of the “Book” is not real.
“Bottle” is a Feel.
Feel of the “Bottle” is not real.
Feel of "Things" create feel of an
unreal "Soul".
Soul is a misconception.
Truth is nothingness.

Hate and Desires are
the power of mind spark.

You cry for a mind image.
"Received" and "Lost" are mind images.
Mind is not real.

Mind world is a sensor creation,
just like the image seen in the water.

Image seen in the water is not true.

Similarly,
Mind world is not true.

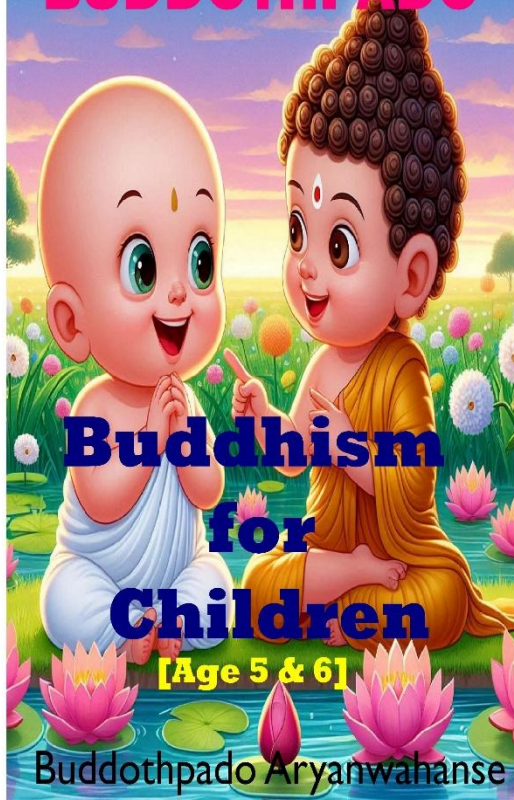

“Mind is not me and
body is not me”
is a feel of wisdom.

Wisdom of letting go of the Mind.
Freedom of Mind.
Feel of Liberation.
Feel of Nothingness.
