

The Little Monk

Volume II

Secret of the magical ball

by Buddothpado Aryan Wahanse

Once upon a time...

a curious little girl named Luna and her
adventurous little brother Liam
journeyed to Methmal Monastery—
to find their lost red ball and discover the truth
from a wise little monk named Aryan.

Let the adventure begin!

Hello Liam!
Do you want to play?

Hello Luna!
Let's play catch-the-ball!

**This is fun!
But slow down, Liam!**

You threw it super fast!

Let's go and find it!

A 3D animated scene featuring a young girl and a young boy sitting on a large, dark grey rock by a pond. The girl, on the left, has long, wavy brown hair and large, vibrant green eyes. She is wearing a bright pink, short-sleeved dress with a yellow flower on the chest and a decorative border of red flowers at the hem. She is smiling gently. The boy, on the right, has spiky brown hair and large green eyes. He is wearing a red t-shirt and blue shorts, and he is laughing heartily with his mouth wide open. The pond in front of them is dark and reflects the scene. Several large green lily pads float on the water. In the background, there are white lotus flowers and green foliage. Several butterflies are flying around: a large pink one near the girl, a small orange one near the boy, and several other pink ones in the distance. A speech bubble from the girl contains the text "Liam, do you know... nature is you?". Another speech bubble from the boy contains the text "Me? How?".

Liam, do you know...
nature is you?

Me? How?

I learned it from Aryan.

Hello, Luna and Liam!

Look! That's Aryan.

Look what I found!

Yay! Our red ball!

Aryan, Luna said I am nature. Is that true?

**Yes, Liam. Nature is our feel!
You feel happy when you are nature.**

A 3D animated scene featuring three children and a deer. On the left, a young boy with a shaved head, wearing an orange robe with a red sash, stands in a shallow pool of water. In the center, a young girl with brown hair, wearing a pink dress with orange floral patterns and a red belt, stands on a stone ledge. On the right, a young boy with brown hair, wearing a red t-shirt and blue shorts, stands on the same ledge. A small deer with brown spots stands to the left of the boy in the orange robe. A red soccer ball is on the ground near the deer. In the background, there is a large stone fountain with water spraying upwards. The scene is set in a lush garden with yellow roses and green foliage. Two speech bubbles are present: one from the boy in the orange robe asking a question, and one from the boy in the red shirt answering.

**Liam, Would you like to hear
a story about your ball?**

Yes, please!

**Your world is a thought.
The ball is your mind-world.**

But the ball is in my hand!

That's right. You feel it with your hand – that's your **touch sensor.**

You see a **red** coloured ball-
that's your **eye sensor**.

You hear the word “**ball**” –
that’s your **ear sensor**.

If you taste the **rubber**,
that's your **taste sensor**.

You smell the **rubber** –
that's your **nose sensor**.

**All your five senses –
touch, sight, smell, sound,
and taste – help you build
your mind world.**

**So the ball you see and feel...
is your mind's way of knowing
the world.**

Yay!
The ball is my world

Wow!
The ball is my mind.

Thank you, Aryan. Now we
know – **I am nature,**
and the **ball is a thought.**

**While knowing the truth,
we can play kindly with
everything around us.**

**Thank you, Aryan
for teaching us the
truth!**

Let's go and play.

The END!

THE LITTLE MONK BOOK SERIES

Publisher: Buddhothpado Dharma Grantha
Sansadaya

The Little Monk book series by Buddhothpado Aryan Wahanse is a gentle guide to nurturing wisdom in your child. Thoughtfully crafted for young readers aged 5–7, these stories invite reflection, patience, and deep understanding.

Please allow your child to absorb the teachings at their own pace. Rushing is unnecessary — it may take several readings for the true meaning to blossom in their heart.

We warmly invite parents to explore more titles and resources by visiting our website. Simply scan the QR code to continue the journey.
